

TURN YOUR MORTGAGE INTO A PENSION

By Gordon P. Johnson

AFTER YEARS OF THINKING OUTSIDE the financial box, finance expert Gordon Johnson has written a book on the topic of how to turn a mortgage into a pension. It presents a unique strategy aimed at enabling the average Canadian to enhance their financial well-being without having to sacrifice their current standard of living. Outlined in this book, through simple step-by-step actions, is a strategy that can be embraced by both financial industry professionals as well as their clients.

Praise

“A MUST READ FOR ANYONE with a mortgage or plans to retire. It questions our traditional views and lays the foundation for all of us to improve our finances.”

Bryan Dar Santos
Editor-in-chief of *Life Cents* magazine

“AN ACCESSIBLE AND ENJOYABLE GUIDE for the financially challenged and the financially well-versed alike, Johnson's book offers timely advice that, combined with proper financial planning, can set out a clear path towards reaching your retirement goals.”

Marcin Drozd
Director & Board Member NEMA
(National Exempt Market Association)

“JOHNSON'S BOOK PRESENTS IMPORTANT financial strategies and tools that the majority of people haven't heard about until now. Comprehensive, insightful and potentially life-changing, *Turn Your Mortgage Into a Pension* should be read by anyone trying to take charge of their financial future.”

Kevin Ziolkoski
Managing Partner of Blueprint Global Partners
